

Geometry Assignment for Monday to Wednesday March 30 to April 1st.

- Read each of your options before beginning.
- You have Monday to Wednesday to complete any **2** out of the **3** activities.
- You must follow all directions and show all work.
- Each activity is worth 20 points for a total of 40 points.
- You may work as a TEAM, but each student is responsible to turn in their own work.
- This must be completed and turned in by Wednesday April 1st.
- 2 points per day will be deducted for lateness.
- This is the first graded assignment for the 4th MP.

❖ Activity 1 6.2.1 #’s 6-53 and 6-54

(there is a handout to use for this one)

❖ Activity 2 6.2.2 # 6-61

(you must draw the triangle on a piece of graph paper and show work on separate paper)

❖ Activity 3 6.2.3 #’s 6-68 to 6-71

(you must draw the diagram on graph paper and show all work on a separate paper)
